

IC 4-3-5

Chapter 5. State Services and Space Made Available to Governor-Elect

IC 4-3-5-1

Office space; equipment; telephone

Sec. 1. The governor shall direct the property management division of the department of administration to provide a governor-elect with office space, office equipment, and telephone service, for the period between the election and the inauguration.

(Formerly: Acts 1963, c.143, s.1.)

IC 4-3-5-2

State budget; revenue estimate

Sec. 2. The budget agency shall make available to a governor-elect and his designated representatives information on the following:

- (1) All information and reports used in the preparation of the state budget;
- (2) All information on projected income and revenue estimates for the state.

(Formerly: Acts 1963, c.143, s.2.)

IC 4-3-5-3

Successors to heads of state agencies; furnishing information

Sec. 3. The designated department, agency, commission, and/or division heads will supply their successors with all necessary documents and information vital to the continued operation of the department.

(Formerly: Acts 1963, c.143, s.3.)
